CF-1-005

This bill is instated to control the use of signs or ordinances not visible to giants. Notice is hereby given that all posted notices and traffic laws\ordinances must be made known. An example falling under the above jurisdiction is the sign at the Air City Hospital instructing visitors to park in airport parking. Entities that do not make known ordinances or notices to affected parties cannot expect compliance or payment rendered. The rights of the affected parties are protected under this law.
