

November 13, 1998

Because both Octan and the Empire of Diking have interests in the Commonwealth of Air County, they have decided to enter into this treaty regarding its administration and agree to the following facts.

- 1) The Commonwealth of Air County has been authorized by the Dikanian Parliament.
- 2) The citizens of Air County have requested administration by Octan.
- 3) Octan has agreed to this request and will administrate the commonwealth under the name New Octan.
- 4) Octan replaces its outpost of Octan Extensions with New Octan.
- 5) Octan declares that King Lost's compound is still part of Diking, and is the capital of Robert and Aire.
- 6) Diking agrees to respect the secrecy of any research on new technologies at New Octan at least until they are in the production stage.
